

myCentric  
series

ergoCentric

The myCentric series is designed to hug the user's back to add stability to the upper body while providing the same exceptional ergonomic support and comfort as our other office task chair series. Its tailored back offers a pleasing aesthetic for any office environment.

Ideal for executive, dedicated and multiple office task applications, the myCentric is available in Dedicated Task, Synchro, Synchro Glide, Multi Tilt and Knee Tilt models.

- Patented back height adjustment system offers 5 inches of infinite back height adjustment
- Modular design offers 6 seat sizes as well as multiple base, caster and arm options to accommodate a diverse workforce
- The optional air lumbar system provides adjustable lumbar depth support
- Patented adjustable headrest provides superior head and/or neck support without the need for knobs or levers
- A wide range in seat height options easily accommodates a variety of lower leg lengths and work height requirements
