## DESK MAT

An anti-fatigue mat is an important addition to your desk set-up. Standing for long periods can lead to accumulation of pressure in the legs; an anti-fatigue mat absorbs that pressure, allowing you to stand for as long as feels right for your comfort and work habits.

The mat is lightweight, making it easy to move back and forth as you go from sitting to standing. The textured surface provides excellent anti-slip properties, and the gel foam interior gives just the right amount of cushioning and resistance to relieve pressure on your legs and feet. Closed-cell construction means your mat is resistant to liquids and other spills, and makes it easy to wipe clean. Beveled edges prevent tripping hazards. The strong surface is abrasion and tear resistant, ensuring a long and useful life.

<b>Size</b>	18" x 30"
<b>Overall thickness</b>	3/4"
<b>Color</b>	Black
<b>Warranty</b>	5 years
