## ||| GOLDTOUCH BLUETOOTH MINI KEYBOARD

The new ultra-sleek and ultra-portable Goldtouch Bluetooth Mini Keyboard was created specifically for the modern, on-the-go lifestyle. Designed for Android™ and Apple® devices, this thin, lightweight keyboard goes anywhere you go, with no wires or plugs necessary. From the airport to the boardroom, the new Goldtouch Bluetooth Mini Keyboard is perfectly suited for productivity.

Equipped with Bluetooth wireless technology, this stylish mini keyboard is compatible with the full ecosystem of Mac® and PC devices — including desktops, notebooks, tablets and smart phones. And unlike other travel keyboards, the Goldtouch Wireless Mini Keyboard comes with soft-touch keys that provide the excellent tactile feedback you've come to expect from Goldtouch products.

Plus, you can combine the new mini keyboard with a Goldtouch Portable Laptop & Tablet stand to create a comfortable workplace wherever your travels take you!

The Goldtouch Bluetooth Mini Keyboard's super sleek design offers enterprise-level quality and reliability on the road.

## ||| FEATURES AND BENEFITS

- **Easy typing:** No more typing long emails on tiny keyboards. With the Goldtouch Wireless Bluetooth Mini Keyboard, you can experience all of the comfort of your desktop on the road or at home.
- **Long battery life:** This mini keyboard comes with two AAA batteries that will serve you for up to four months. A low-power indicator light will let you know when it's time to change, so you can avoid any last minute surprises.
- **In sync:** This slim keyboard will work with all of your Mac and PC devices, including your desktop, notebook, tablet, Android and iPhone®, PS3® or other smart devices.
- **Portability:** At just 0.5 inches thick and only 10 ounces, you'll barely notice the addition of this mini keyboard to your travel bag.
