*Chair Designed by Niels Diffrient*

# Diffrient Occasional™

- Multipurpose chair, stackable up to 5 high
- Finishes can be configured to match our Diffrient Smart, Diffrient World or Liberty task chairs for consistent and restrained look
- Tri-panel mesh backrest provides automatic lumbar support for every user
- Textiles exceed 150,000 double rubs under Wyzenbeek abrasion test — five times more than the industry standard
- Textiles do not contain harmful stain resistant additive (PFC)
- Chrome 3 base finish option; much better environmental option over harmful Chrome 6

|                         |                                                                                                                       |
