TREADMILL DESK

INMOVEMENT LEVERAGES
LIFE FITNESS TREADMILL
TECHNOLOGY

Leveraging 45 years of quality and biomechanics excellence from the industry leaders at Life Fitness®, InMovement®, a Life Fitness company, brings movement back to the workday. The Life Fitness TreadMill Desk allows you to prioritize your health without sacrificing your work. Walking keeps the brain active and has been linked to increased productivity and improved mood.

Designed to complement your workspace in form and function, the Life Fitness TreadMill Desk provides everything you need to work comfortably while walking. The connectivity panel allows you to power your devices with AC power hookups, USB docks and an Ethernet connection. And the Life Fitness FlexDeck® Shock Absorption System reduces impact to the joints by nearly 30 percent.

KEY FEATURES

- > The connectivity panel makes it easy to power most devices with AC power hookups, USB docks and an Ethernet connection, while integrated cable management ensures a clean workspace without being tethered to a wall outlet
- > The Life Fitness FlexDeck Shock Absorption System reduces impact to the joints by nearly 30 percent
- > Advanced safety features, such as responsive stopping time and convenient pause button
- > Adjustable desk surface for wide range of user heights (from 4'10" - 6'6"), plus expanded foot rails

THE INMOVEMENT EDGE

Walking burns 3X more calories than sitting

Standing and walking boost productivity and creativity

Regular breaks in sedentary time can improve your waist circumference
