

# 360

LED task light

Distinctively designed award-winning LED task light with outstanding functionality. The rotating base and flexible spring-balanced pivoting arm occupy a small footprint when the task light is positioned over the base. When fully extended, the light covers a large area providing broad, asymmetric and ergonomically correct workspace lighting. 360 is dimmable and has a 9/4 hour automatic shut-off to save energy. Table/desk base mount.

Colors: White, black or silver grey.

### LED: Lightsource of the future

360 is equipped with state-of-the-art LEDs, which provide bright, warm light and have a life expectancy of 50,000+ hours. That means 25 years or more with normal office use. You may never have to change the lightsource.

## TECHNICAL DESCRIPTION

---

---

### LIGHTSOURCE

Supplied with 1 x integrated LED module 6W (7.4W total energy consumed). Correlated color temperature (CCT) is 3250°K. Color rendering index (CRI) is 90.

---

### BODY MATERIAL AND COLOR

Full metal body made of zinc. Colors: black, silver grey or white.

---

### MOUNTING

Standard with table/desk base.

---

### OPTICS

Asymmetric light output. White, polycarbonate reflectors.

---

### POWER SUPPLY

Plug-in 120V power supply.

---

### ARM TECHNOLOGY AND MOVEMENT

18.5" parallel, two-pivot arm. Side-to-side head movement.

---

Integrated 9/4 hour auto shut-off feature.
