IC2[®] SEATING COLLECTION
7300 Series

IC2[®]

Alluring Design, Exquisite Ergonomics

The IC2[®] is an intelligent chair because it perfectly balances form with function, providing an exceptionally smooth ride. Nightingale's IC2[®] series sets ergonomic and comfort standards that are second to none. Simply put it's an attractive, light weight and elegantly functional seating line.

Available in several models, some with proprietary, circulation improving ENERSORB[™] foam and a wide range of option combinations.

MODELS

IC2[®] chair series offers a seating choice for the office that combines design, comfort and ergonomic technology that will enhance any modern office. The IC2[®] is available in 3 functional models, Mid Back, Mid Back with Adjustable Headrest and Mid Back with Integrated Headrest.

7300 Mid Back

7300D Mid Back With Adjustable Headrest 7380 Mid Back With Integrated Headrest

DESIGN

At Nightingale we wanted to create a chair that made people admire the aesthetics and appreciate the ergonomics. This ideology has made the IC2® a refined, ultra comfortable chair that combines elegance with a simple, but striking design.

FEATURES

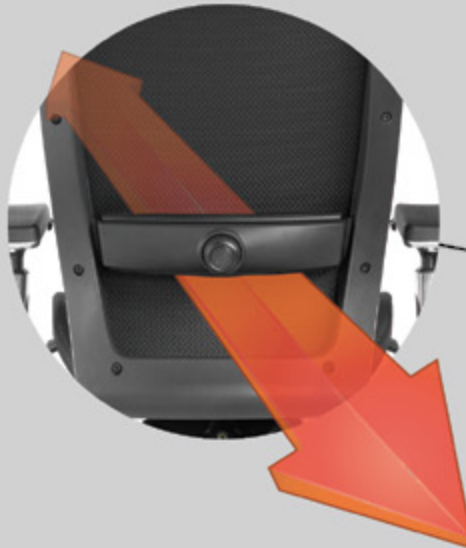

ADJUSTABLE HEADREST

Intuitive headrest can be easily adjusted up, down or angled for comfortable neck and back support.

LUMBAR SUPPORT

The contoured polyurethane lumbar support pad can be easily adjusted up, down and dialed in and out for personalized comfort and ergonomic back support.

INTEGRATED SEAT SLIDER

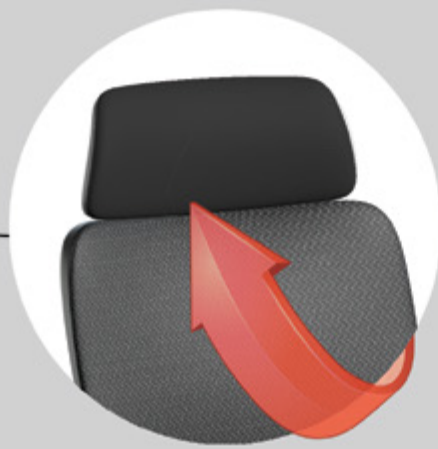

Dual lever. Allows for greater seating depth for those requiring more leg support.

GALILEO MECHANISM

Slow release, pneumatically assisted, infinite tilt lock, synchronous mechanism, featuring pneumatic height adjustment and easy to use front facing seat / back tension control.

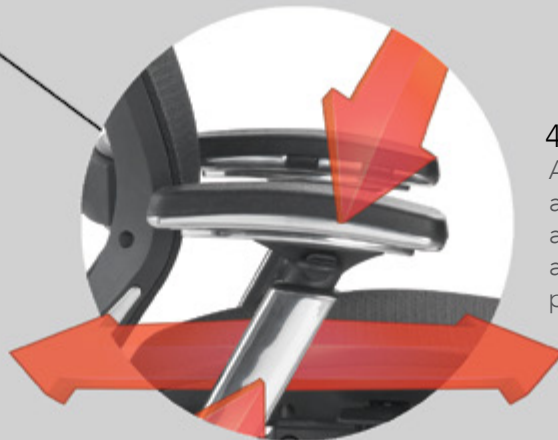

INTEGRATED HEADREST

Fixed integrated headrest provides extended back neck and head support.
(Available on model 7380 only)

NEBULA™ MESH

Allows air to pass freely, making it comfortable in all environments. Nebula™ mesh is a unique compilation of four way stretch fabric and memory mesh for complete, dynamic back support.

4D ARMREST

Arms are height and width adjustable with lockable swivel, and forward/backward arm pad adjustment. Polyurethane arm pad for durability.

BASE & CASTERS

5 prong heavy duty polished aluminum base, standard with 3" carpet casters.

DIMENSIONS DISCLAIMER

Dimensions are subject to change without notice. Dimensions may have a variance of up to 0.5" Contact Nightingale if more precise measurements are needed.

TEXTILE DISCLAIMER

Nightingale only upholsters with top quality materials.

Nightingale recommends ordering product samples before final purchase to get a more accurate representation of color. However due to slight variations in dye lots, there can be slight color variations to received product.

Nightingale has made every effort to represent the colors and textures of these textiles, vinyls and leathers as accurately as possible. However, we cannot guarantee 100% accuracy, due to variations that occur in the printing process.
