551 MD Ramp System™ Safety/Anti-Fatigue Accessories

NO TRAX®
FLOOR MATTING

550 Cushion-Ease® w/551 MD Ramp System™

Accessories

For custom configurations performed on-site, the MD Ramp System™ is made of 100% nitrile rubber, and fit the male/female locking system of the mat. All ramp lengths are beveled and molded with mitered corners and a protruding tab that locks together the two adjoining ramps for a secure, professional corner. Square edges can be achieved by trimming off the miter using the cut line on the bottom of the ramp.

Available Ramp Colors:
Terra Cotta, Yellow, Orange,
Black
