# A Winning Combination of Ergonomically Designed Task

## BC Task Series

### Simple-function task seating

**BC Task Series** effectively meets all your multi-task seating requirements in office environments, at computer-intensive work stations and in the home. Users will experience lasting comfort, which translates into increased productivity.

Each chair is engineered and manufactured to the highest standards. Construction features backrest vertical lumbar support and a beautiful sculptured contoured indented molded foam seat and back. Each model also includes pneumatic seat height adjustment, specially designed 5-star shell base with hooded casters, and optional contour-molded arms.

**BC47 mid back**  
fabric: plum

BC47 has simple, ergonomic styling that gives each worker productive comfort.

- A generous seat and backrest
- 20" nylon reinforced footring
- Gas adjustable seat height with a range of 10 inches
- Depth and height can be adjusted to accommodate changing tasks

**BC46 mid back**  
fabric: camel

BC46 is the mid back version of BC42. It has the same functions as BC42, but with a larger, sculptured contoured HR seat and back.

- Pneumatic seat height adjustment
- Pivot backrest
- Back height adjustment
- Back depth adjustment

**BC41 low back**  
fabric: denim

BC41 is the drafting stool version of BC42, with an 18" chrome footring. The perfect studio chair for designers and architects.

## Seating at Affordable Prices

**BC42 low back**  
fabric: ruby  
arm: BR-1  
option: Designer  
Upholstery Back (DUB)

**BC44 low back**  
fabric: salmon  
arm: BR-3

**NEW**

Designer Upholstery Backs in matching colors are now available for all chairs in the BC Collection, with the exception of BC Leather Series.

# BC Task Series

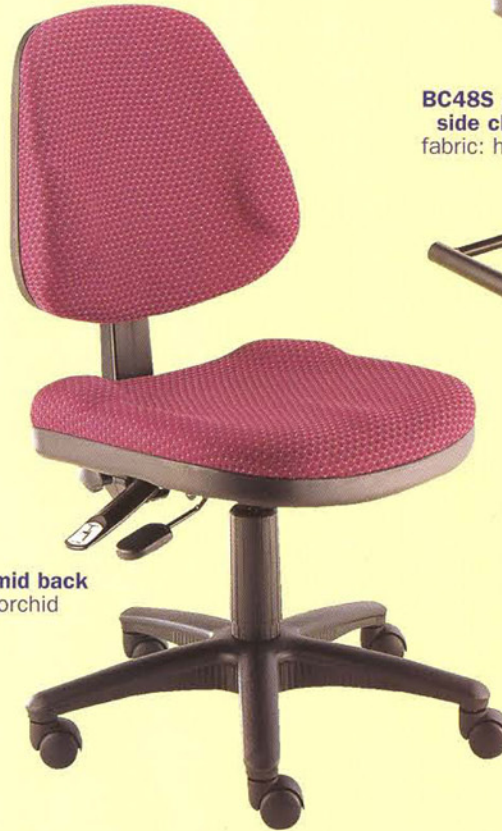

## Multi-function task seating

An upgrade of the simple-function models, the multi-function BC44 effectively meets all your multi-task seating requirements in office environments, computer-intensive work stations, and in the home.

- Pneumatic seat height adjustment
- Pivot backrest
- Back height adjustment
- Tilting backrest
- Tilting seat

**BC45 low back**  
fabric: burgundy

**BC48 mid back**  
fabric: orchid

**BC48S mid back  
side chair**  
fabric: hunter

BC48S is a cantilevered sled-base side chair.

BC48 is the mid back version of BC44. It has the same functions as BC44, but with a larger, sculptured contoured HR seat and back.

BC45 is the drafting stool version of BC44, with an 18" chrome footring.

# BC Executive Series

## Extraordinary Comfort

**BC Executive Series** blends function and beauty with sophisticated, contoured fabric design. These chairs offer outstanding value for the price.

A sumptuous upholstered cushion seat cradles your every move, and the lumbar support cushion conforms to your lower and upper back contours for a "customized" fit. The seat's standard back is a beautiful S-curve shaped, molded contoured shell. High back (BC87), mid back (BC86), and low back (BC85) feature a swivel (rocking) tilt with lock, pneumatic height adjustment, standard loop arm, and a 5-star wide base with dual

wheel hooded casters that glide easily over carpets.

**BC87 high back**  
fabric: steel  
arms included

**BC85 low back**  
fabric: indigo  
arm: BR-85  
(the only arm option)

A new low back choice in the BC Executive Series, the BC85 is stylish and smooth riding.

**BC86 mid back**  
fabric: lagoon  
arms included

**BC86S mid back side chair**  
fabric: tabasco  
arms included

To give your visitors the same comfort, add our BC86S cantilevered sled base side chair with integrated arms. The seat, back and arms are supported by a strong steel frame which is finished with a power-coated enamel for durability.

# BC Leather Series

## Superb Craftsmanship

**BC Leather Series** is available with three models for your individual taste. Select from a high back (BC99), mid back (BC98) or cantilevered sled base side chair (BC98S) with integrated loop arms to suit any office or home decor.

Both high and mid back chairs feature a simple knee tilt with lock, pneumatic height adjustment, and 5-star wide base with dual wheel hooded casters that glide easily over carpets. The series includes top grain leather on seating areas and matching black vinyl on the posterior and underside areas.

**BC99 high back**  
fabric: black leather  
arms included

**BC98S mid back  
side chair**  
fabric: black leather  
arms included

This series also offers an unprecedented combination of fine craftsmanship and personal seating comfort in rich leather at a reasonable price. The elegant, sumptuous cushioned seat cradles your every move, and the lumbar support cushion conforms to your lower and upper back contours for a "customized" fit.

- High-end look
- Elegant touch
- Beautiful styling
- Improved comfort
- Thick seat and back

**BC98 mid back**  
fabric: black leather  
arms included

## special information:

You may choose from Office Master's over 100 contemporary and durable designer fabrics and colors, 11 arms, 5 types of casters and many other options. Most chairs are made in North America and can be **TURBO-shipped**, a service only offered by Office Master.
