FINISHES FOR IU, IUHD & IUPD SERIES SEATING

IUHD and IUPD chairs feature our specially engineered, heavy-duty composite base with semi-gloss titanium coloring. For a hybrid environment that requires the same aesthetic as our IUHD/IUPD chairs for non-24/7 use, consider the PT/Paramount series.

UPHOLSTERY FOR IU, IUHD & IUPD SERIES SEATING

Seats are available in a variety of Office Master upholstery, COM/COL and Momentum Textiles Grade-in fabrics. For ultra heavy-duty applications, Office Master strongly recommends extra-high double-rub fabrics such as our Grade 1 Spice pattern. Please reference the Office Master price list for procedures and important details concerning COM/COL fabric specification.
