Glider
For any surface, keeps chair or stool stationary.

Regular Caster
For carpeted surfaces, standard on most models.

Self Braking Safety
For smooth surfaces, restricts rolling when user is not seated.

Reverse Braking
For smooth surfaces, locks when user is seated.

Dual Color Soft Caster
For any surface, reduces surface marking.

OPTIONAL CASTERS FOR PATRIOT & PC SERIES SEATING

The above casters are some of our most popular options.

Refer to the caster section of the Office Master price list to help you choose the caster that is right for you. Tailor your caster selection specifically to the type of flooring where your seating will be used.

Even the most well-made casters are subject to wear and tear.

While performing routine maintenance will extend the life of your casters, eventually you may need to replace them.

FINISHES FOR PATRIOT & PC SERIES SEATING

PC series chairs incorporate the same aesthetics as their counterparts in the PA series, but with added adjustability and features.

For lab and counter-height environments that require the same aesthetics as our PA/PC chairs, consider the CLS series or an optional Turn-Lock stool package.

UPHOLSTERY FOR PATRIOT & PC SERIES SEATING

Seats are available in a variety of Office Master upholstery, COM/COL and Momentum Textiles Grade-in fabrics.

Please reference the Office Master price list for procedures and important details concerning COM/COL fabric specification.

FOUNDED IN 1986, we have grown from a small facility in San Diego to an experienced, established company dedicated to meeting the long-term office seating needs of large and small businesses, and everything from hospitals to laboratories. From day one, our vision and philosophy have remained the same: **To provide only the best-value ergonomic office chairs. It is our core competency and it is all we do.**

LIMITED WARRANTY

The manufacture of Office Master office furniture is conducted under the highest industry standards with careful attention to detail and individual inspection of each and every unit.

All chair frames, including metal, gas cylinders, wood and plastic parts, and control handles are guaranteed against structural failure for 7-year or 12-year warranties under normal commercial use and to the first purchaser. Casters and Office Master in-stock upholstery items have a 2-year commercial use warranty. COM/COL and graded-in fabrics are not covered under Office Master warranties. Standard commercial use is defined as the proper usage for one single shift, a total of 40 hours or less per week and by persons weighing 250 lbs. or less, unless otherwise specified by Office Master.

Should any item fail, please return product to the Dealer from whom it was purchased. The Dealer will send the defective part to the Manufacturer, freight prepaid. The Manufacturer will repair or replace the defective part and return it to the Dealer, freight prepaid. Please request written authorization for returning defective parts to Manufacturer. Returned defective parts will NOT be accepted without prior written authorization. This warranty does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, flood, or act of God.
