Desktop Acoustic Privacy Panel Holder

To be used in conjunction with the UPLIFT Acoustic Privacy Panel

Assembly Instructions

Step 1

Set the Panel Holder & Desk Organizer in the location on your worksurface where you plan to set your Acoustic Privacy Panel. This can be at the back, sides, or even the middle of your desk.

Setting the holder in the middle of your worksurface allows you to create a divided workstation.

There is also storage space on either side of the holder for small desktop items.
