

Glass Desk Blotter

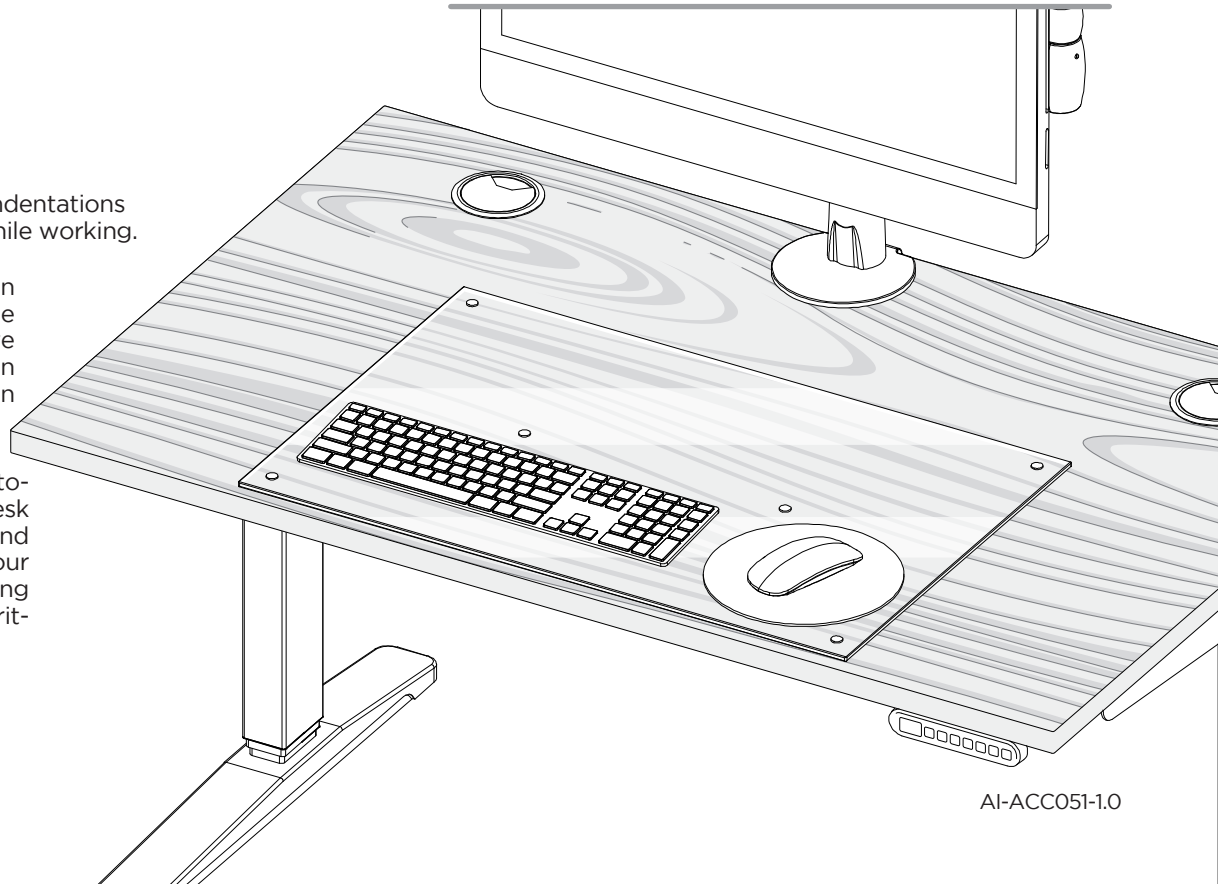

SKU: ACC051

UPLIFT DESK®

Protect your desk against indentations and accidental scratches while working.

Clear off a 28" x 18" space on your desktop then place the Glass Desk Blotter to give your workspace a solid, even surface upon which you can work.

This glass is smooth, easy-to-clean, and protects your desk surface. It is crystal clear and allows you to show off your work surface without hiding it. Perfect accessory for writing and mousing.
