Soft Woods™ Anti-Fatigue Mats

Fusion Maple

Walnut

Wild Cherry

- The beautiful Soft Woods anti-fatigue mat establishes a new standard of beauty in anti-fatigue mats.
- The rich look of hardwood flooring enhances your work place while providing the simplest and most effective way to reduce fatigue and stress.
- Soft Woods anti-fatigue mats are available in two styles. The single sponge style is 1/2" thick and the double sponge is a full 7/8" thick, double the thickness of ordinary mats.
- Double sponge mats by Rhino are the anti-fatigue mats of choice, producing the incredibly soft and resilient rebound properties needed in a rigorous commercial or retail environment.
