

Freestanding Slatwall Stanchions

Customer Needs:

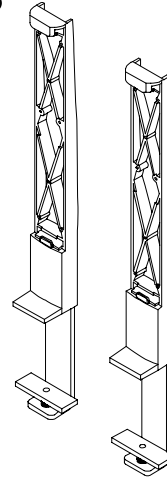

Ability to use Slatwall in a cost-effective freestanding application. Minimal product footprint is required.

Product Features

Style Numbers:

WFCS – Freestanding Slatwall Stanchions

- Size: W2" x H16" x D2"
- Weight: 3.50 lbs.
- Color: Black, Champagne, or Platinum
- Construction: Die-cast aluminum for strength and quality consistency. Powder-coat paint process for durability
- Application: Mounts to a worksurface or tabletop
- Warranty: 10 years
- For use on worksurfaces/materials that are ¾" to 2" thick
- Worksurface/table must be able to support 60 lbs
- Not applicable on bullnose, knife edge or other non-standard table edges
- Positions top of Slatwall 15½" above mounting surface; this is a fixed height
- Uses only a 2" footprint on the surface
- Requires a minimum depth of 18" for table/worksurface stability
- Ideal solution for use on height-adjustable worksurfaces or freestanding tables in learning environments, team areas, etc.
- Uses standard Slatwall of any length and Worktools
- Specify Stanchions and Slatwall separately
- Slatwall can overhang Stanchions by 12" for tiles up to 48" wide and 15" for 60" wide tiles
- Rubber feet under Stanchions ensure a tight fit without marking surface
- Requires 2" clearance under worksurface to accommodate c-clamp
- Will not work on a glass surface
- Corner application not available
